PLAYER PROFILE

Krisshl is a technically gifted forward who combines sharp movement, intelligent positioning and a natural goal-scoring instinct. He has progressed through the Akedemi Tunas Bandar Tun Razak (NFDP) pathway and has already gained international exposure with a training stint at 1. FC Köln Youth in Germany.

In 2024 he earned a place at the prestigious Sports School Bukit Jalil and trained with the KL City Belia squad in 2025. A standout performer at school level, he was the youngest varsity player at International School Kuala Lumpur ("ISKL") and claimed the Golden Boot at the KL Cup. His versatility allows him to operate as a pure striker, False 9 or attacking midfielder.

In 2026, he joined Kuching City FC's U18 squad for the Piala Belia.
